- The Prices reflected in this document are List Prices and do not reflect any applicable discounts.
- Final sales price may be determined by several factors including but not limited to: quantity, availability, delivery requirements, customer forecast and payment terms.
- Final sales prices are determined by applied discount, which may be included in company quotation, contract or negotiated written pricing agreements.
- Final sales prices will be determined by Region, Country, District or Facility and subject to current market conditions.

Weatherford (such term shall include any subsidiary, division or affiliate of Weatherford International, Inc) will provide the requested equipment, materials or services to its customer. Such provision shall be governed by the terms and conditions of the current applicable master service agreement between the parties. In the event that there is no such master service agreement, Weatherford's standard terms and conditions, a copy of which can be found at www.weatherford.com/t&c, shall be applicable to the provision of such equipment, materials or services. [A paper copy of these standard terms and conditions will be provided to you upon your written request.]
