

## **Action Required: Centralized Invoice Submission**

Dear Supplier,

We are diligently working to update and clarify our invoice submission requirements. The details are outlined in the Supplier Invoice Requirements Kit (SIRK). The updated SIRK and related documents can be found in the Weatherford Supplier Portal.

Additionally, Weatherford is pivoting to centralized inboxes for <u>ALL</u> invoices from Suppliers. To avoid potential disruptions to your business, we are providing the following information to help you understand the upcoming changes to our business processes for invoices dated **1**<sup>st</sup> **June 2021 onwards.**
